

Laguna Middle School

7th and 8th Grade Girls Basketball Program

Dear Parent/Guardian:

Your student has expressed interest in playing competitive basketball at Laguna middle school for the upcoming 2018-2019 season. The program features games at both Laguna Middle School and games played away at a number of San Luis Obispo County schools. In addition to approximately 15 scheduled games, January through February, each team will participate in two/three tournaments this year.

Beginning Monday, November 26th, candidates for the 7th and 8th grade teams will participate in a skills assessment program lasting one week. Letters will be handed out after school on Monday December 3, 2018 with information regarding who made the team. During this program, coaches and assistants will be evaluating each player's skill level as well as teamwork and sportsmanship. At the end of the assessment, a seventh grade and eighth grade Laguna basketball team will be established consisting of approximately twelve players each. To be considered for a team, a candidate must participate in at least half of the assessment.

Not all students who attend the assessment program will be placed on the team. Consideration of potential position as well as ability and **commitment** of the player is considered. Practices will be Monday through Friday from 3:15 – 4:45 or 5:00 – 6:30 pm (unless there is a game.) starting December 4, 2018. The season begins December 4th and runs until the end of February. If your daughter is selected to play for Laguna they will be required to have a sports physical before they can play in the first game. You will have to schedule your appt. with your doctor or Med stop and bring the attached form before **December 21, 2018.**

Thank you for your interest and support of the Laguna Middle School Girls Basketball Program.
