

Welcome to Laguna Middle School PTA 2016-17!!

We at Laguna Middle School are very fortunate to have an outstanding Principal and Vice Principal, a fantastic staff, and great parents that are all interested in working together for the well-being of our students. Involved and engaged families, educators and communities play a significant role in the success of all students!

Many parents feel that junior high is a time to step back and become less involved, but this is actually the time when our children need us the most! We encourage you to stay connected and participate in the events and activities going on throughout the school year.

The Laguna PTA supports activities that inspire and promote intellectual curiosity, creativity and individual growth. Funds raised provide grants for teachers and much needed support for educational activities, student recognition, hands-on field trips, and a variety of additional enrichment activities.

Please join us as we make our school the very best that it can be!

Sincerely,
Michael Berger
PTA President
