Laguna Girls Intramural Basketball Program Description:

The City of San Luis Obispo Parks and Recreation Department and Laguna Middle School are proud to present the girls intramural basketball season for 2008-2009.

Beginning on October 27, the Laguna Middle School coaching staff will be holding basketball clinics. The clinics will introduce all players to the basic fundamentals of the game and allow the coaches to assess each player's ability. After one week of clinics, a short intramural season will begin. These teams will be made up of players of all ability levels, with everyone being split into balanced teams that will play twice a week.

At the conclusion of the intramural season, the Laguna Middle School coaching staff will select one team from each grade to represent the school in interscholastic play. The interscholastic teams will be coached by the Laguna Middle School coaching staff. The remaining players from the intramural season will then be invited to participate in the Middle School Recreational Basketball League, sponsored by the San Luis Obispo Parks and Recreation Department. These teams will be coached by Parks and Recreation Department coaches. All students may participate in the middle school recreation program, even if they did not play in the intramural league.

If there are questions regarding the season, please call Amy Cockerham at 781-7067 or Rich Ogden at 781-7305.
